Our Musical Story

Roundup Staff
Las Vegas High School

From advance notices, the 1952 ROUNDUP is to be one of the best V.H.S. yearbooks. That will be an achievement of which the staff may well be proud as very high standards have been set in preceding yearbooks.

Congratulations to each one who has contributed to this fine accomplishment. Students, faculty, and all citizens of our community should join me in expressing appreciation of the months of unselfish service that has been given to this publication by each of you. Will you accept our gratitude for a job that is "well done?"

Cordially yours,

Dedication

For the class of '52 there will be no memory brighter than that of "Prof" Davidson, an inspiration to all who have known him, a man never too busy to give help where it is needed, in other words a really swell guy.

We take the greatest of pleasure in dedicating the Annual of 1952 to our very own "Prof." Davidson.
